

**FROM SMALL
BEGINNINGS..GREAT
THINGS CAN HAPPEN:**

**SPECIAL EDUCATION
IN CAMBODIA**

EARLY DAYS at the **RABBIT SCHOOL**, The Rabbit School was established in 1997 in **one small building** in what was known as the Nutrition Centre

Teachers of the Rabbit School 2007

The Rabbit School now has classes within Government Schools **in Phnom Penh**, the capital of Cambodia and **in three provinces** (Kandal, Kampong Speu and Siem Reap) **in 2020**.

The Rabbit School now provides schooling for **489 children** with **Intellectual disability** and has many trained teachers and assistants.

The Rabbit school has achieved great things over the years for children with an intellectual impairment and their families.

Helen with Staff and Children

Cambodia May 2007 (with Tania from Australia)

Some of the best times that I have spent in Cambodia have been with the Staff and Children of the Rabbit School.

So much love and commitment.

My sincere thanks to you all.

Helen Pitt December 2020.
